

STEEL'S PREMIER TECHNOLOGY EVENT FOR 2010

STUDENTS

AISTech 2010

The Iron & Steel Technology Conference and Exposition • May 3–6, 2010 • Pittsburgh, Pa., USA

Plant Tour

The best way to learn about the steel industry is to visit a steel plant. See the advanced technology used in today's steel industry! TMK-IPSCO Koppel Tubulars has invited us to tour their plant in Ambridge, PA.

Orientation/Recruiting

Join students from other universities for orientation, followed by a casual dinner and reception. The orientation will provide an update on AIST and information on the valuable technical and social events available to students at AISTech. The reception following will give students an opportunity to speak to the corporate sponsors about internships and jobs.

Student Project Presentation Contest

Undergraduate students who participate will present their projects in a 15-minute session-type atmosphere. Presentation topics should be technical in nature. All participants will receive \$300 toward travel reimbursement. The top three finalists will receive cash prizes: \$1,500 for first place, \$1,000 for second place and \$500 for third place. Advance registration is required using the AISTech Student Participation Form, and space is limited to eight participants.

Student Lunch With the AIST Foundation Board of Trustees

Enjoy a casual lunch with members of the AIST Foundation Board of Trustees. Advance registration is required using the AISTech Student Participation Form.

Social

Students are invited to ride the Duquesne Heights Incline up Mt. Washington, visit the Museum, then head to the Hard Rock Café for dinner. Following dinner there may be time to explore Station Square.

Financial Assistance

Registration

Members (membership through Material Advantage)
Advance Registration – FREE
On-site Registration – \$25

Non-Members

Advance Registration – \$25
(includes one-year membership to Material Advantage)
On-site Registration – \$50
(includes one-year membership to Material Advantage)

Register online at www.AISTech.org. The deadline for advance registration is April 10, 2010. Housing information will be available when you register.

Student Participation Form

All students, in addition to registering for the conference, are required to complete a participation form. Contact Lori Wharrey at lwharrey@aist.org or (724) 814-3044 if you have any questions.

Travel Grants

Funds are available for travel assistance for undergraduate students who wish to attend AISTech 2010. Funds are granted on a first-come, first-served basis. The number of travel grants available is limited, so apply early using the AISTech Student Participation Form. Conference registration is required for all travel grant recipients.

Session Monitors

AIST offers students the opportunity to earn \$50 per session while attending AISTech as a session monitor. Space is limited, so sign up early using the Student Participation Form. Questions should be directed to Ken Landau at klandau@aist.org.

AISTech 2010 Attendance Challenge

AIST invites all universities to take part in the AISTech Attendance Challenge! The university with the highest number of students in attendance will receive \$500.

For more information or registration, go to www.AIST.org
