Installation will begin at noon on Friday, 13 May 2016 and must be completed by Sunday, 15 May 2016 at 4 p.m.

Removal

The removal of all exhibit materials begins Wednesday, 18 May 2016 after the close of the show and must be completed by Thursday, 19 May 2016 at 6 p.m.

Unacceptable Exhibits

Operating exhibits are encouraged. However, any and all unusually dirty, noisy or hot machinery and equipment should be properly enclosed to respect the rights and safety of others.

Exhibit Hall

Aisle: 10' wide except as noted.

Exhibit Area: Concrete base floor.

International Trade Fair Provisions

The Exposition has been designated by the U.S. Department of Commerce as an International Trade Fair under the provisions of the Trade Fair Act of 1959.

Working with the Expositions customs broker, exhibited materials and equipment can be brought into the U.S. duty-free. For further information, please contact the general manager — sales, AIST.

Go where the action is.

Be Seen

With more than 40 countries represented annually, AISTech provides a global perspective on the technology and engineering expertise necessary to power a sustainable steel industry. Expand your customer base and international networks.

Get Noticed

AISTech attendees are the people you want to reach: key individuals who specify, purchase, design and operate a variety of iron and steel plants and facilities.

More than 8,000 people will attend AISTech 2016.

Exhibit

AISTech is the steel industry's biggest annual trade show and exposition. Your exhibit will generate sales leads and company awareness like no other marketing tool can. Pittsburgh's location and industry history have consistently translated into increased attendance.

Don't miss this chance to demonstrate your products and services to the world's top steel producers, suppliers, consultants and academics.

Advertise

Make the most of your time and investment — generate more attention for your exhibit through advertising with AIST. Print, online and special offers give you a chance to do more with your money, including an exclusive Belly Band for the May issue of *Iron & Steel Technology*.

Save up to 50%! Contact the AIST Sales team about special rates for the March, April and May issues.

Sponsor

Put your business in front of the right people. Sponsorships are efficient and cost-effective ways to extend your company's reach to all conference attendees at Steel's Premier Technology Event. Opportunities include Receptions, Coffee Breaks, Lunches, President's Award Breakfast, Aisle Signs, Internet Cafés, On-Site Program, Smartphone App, Giveaway Features, Baggage Check and Airport Shuttle, or take advantage of being a Global Event Sponsor. Visit AISTech.org for a full list of sponsorship opportunities.
