3. Booth No. _____ 4. Booth No. _____

To help promote AISTech 2015, *Iron & Steel Technology* magazine will publish three special issues: March — Pre-Show Guide, April — Pre-Show Guide and May — Show Guide. The May Show Guide will be available to all attendees at the show, as well as the regular subscriber circulation. Descriptions of the exhibits at the conference are an important part of the March Pre-Show Guide and the Show Guide. So that your company may be included in this feature coverage, an email will be sent within two weeks of processing your contract, with the instructions to post your booth description online. Entering your description by 8 January 2015 will guarantee it to be printed in the March Pre-Show Guide and the May Show Guide. Please be concise and limit your booth description to 100 words or less.

To assist in the assignment of appropriate exhibit space and location, please list below those companies competitive with your product line:
