REGISTRATION INFORMATION

Advance registration by 3 August 2018: Member US\$450, Non-member US\$575. Registration after 3 August 2018: Member US\$500, Non-member US\$625. Registration includes Friday reception, Saturday and Sunday continental breakfast, Sunday lunch, reception and dinner, tour, roundtables, and technical paper sessions. This is an "off the record" meeting, so no handouts will be given.

SPONSORSHIP INFORMATION

Sponsorship opportunities are available. Please contact Jamie Blick at +1.724.814.3026 or jblick@aist.org for information.

HOTEL ACCOMMODATIONS

A block of rooms has been reserved at The Broadmoor. Please reserve your room by calling +1.855.634.7711 by 2 August 2018 to secure the AIST discount rate of US\$199 per night for single/double occupancy plus a US\$14 per day resort fee.

Please support the Globe-Trotters Member Chapter scholarships and reduce the cost of the meeting by helping to fulfill their hotel commitment by booking inside the room block. You must stay inside the room block to attend the plant tour.

PLANT TOUR: EVRAZ ROCKY MOUNTAIN STEEL PUEBLO

Established in 1881, EVRAZ Rocky Mountain Steel Pueblo (then known as the Colorado Fuel and Iron Co.) helped to build the American West by providing affordable steel and iron to the western territories and the nation's expanding rail systems. Today, it produces rail, seamless pipe, rod and coiled reinforcing bar. EVRAZ Rocky Mountain Steel Pueblo also offers high-quality specialty and semi-finished products that can be delivered to each customer's exact specifications.

GOLF OUTING: THE BROADMOOR WEST COURSE

Get ready for rolling fairways, multi-level greens and demanding hazards at the stunning yet formidable West Course. At 6,800 feet, this 18-hole course has more doglegs and steeply angled greens

than the East Course, and offers breathtaking views of both the mountains and Colorado Springs. The West Course plays tighter off the tee, with more heavily tree-lined holes than the East Course, and also gives players an array of spectacular approach shots. Don't let the stunning mountain views distract you; the West Course may look like a postcard, but it offers a very challenging and rewarding round of golf.
