

ADVANCING THE TECHNICAL DEVELOPMENT, PRODUCTION, PROCESSING AND APPLICATION OF IRON AND STEEL

Login Instructions

You can access the Login feature, located on the top right of any page on AIST.org. Once you've clicked on Login, you will be prompted for your Member # and Password. Your password should be entered in all lowercase letters, and is the first character of your first name, plus the first five (5) characters of your last name. If you do not know your AIST Member number or your password is not allowing you to log in, please contact AIST Member Services at memberservices@aist.org or +1.724.814.3000, ext. 1.

Example: John Smith would log in as follows:

Login (AIST member number): 12345

Password: jsmith

You must have your member number and password to login to AIST.org. If you have questions, please follow these [step-by-step instructions](#) or contact [Member Services](#) at +1.724.814.3000, ext. 1.

Member and Visitor Login

Member #:
Password:
 Remember me next time.

Log In

You must have your member number and password to login to AIST.org. If you have questions, please follow these [step-by-step instructions](#) or contact [Member Services](#) at +1.724.814.3000, ext. 1.

Member and Visitor Login

Member #:
Password:
 Remember me next time.

Log In

 You can check the "Remember me next time" for the website to remember your member number and password.

Once you've logged in, you will see your first name populate in the top right of the website.

Now you are free to roam the site and enter Members Only areas that are designated specifically for you. For example, if you are part of the Safety & Health Technology Committee, you will be able to view past meeting minutes, committee rosters, listservers, etc. View example on next page.
