ADVANCING THE TECHNICAL DEVELOPMENT, PRODUCTION, PROCESSING AND APPLICATION OF IRON AND STEEL

Personal Information Dr. Mr. Mrs. Ms. Other _____

Last Name	First Name	M.I.
Casual Name	Suffix (Jr., III)	Birth Date

Business Information

Present Position or Title _____

Company Name _____ Dept./Mail Stop _____

Street Address _____

City _____ State/Province _____ Zip/Postal Code _____ Country _____

Phone (Required) _____ Extension _____ Fax _____

Business E-mail _____

Principal Company Activity, Product or Service _____

Alternate Information

Street Address _____

City _____ State/Province _____ Zip/Postal Code _____ Country _____

Phone _____ Fax _____

Personal E-mail _____

Preferred **Mailing Address**: Business Alternate
Preferred **E-mail Address**: Business Alternate

Technical Interests

Please specify your areas of technical interest:

Membership Qualifications

Please check one:

PRODUCER MEMBER — Producer membership may be granted to any individual responsible for the technical, engineering and/or operating phases of the production of iron and steel, including basic raw materials, and the shaping, finishing and coating processes.

SUPPLIER MEMBER — Supplier membership may be granted to any individual actively engaged in a company supplying equipment, products or services to the iron and steel or allied industries.

ACADEMIC MEMBER — Academic membership may be granted to any individual employed by or enrolled full-time at an accredited college or university, who is responsible for research and development, student instruction, or studying for possible service and support to the iron and steel industry.

Membership Fees

Payment of dues in U.S. dollars:	
Professional (30 years or older):	\$115.00
Young Professional (30 or younger):	\$57.50

Sponsor

For recognition in the Member-Sponsors-A-Member Campaign, please indicate who has encouraged you to become a member.

Name: _____

Company: _____

Payment Information

Remit your dues by:

Credit Card: VISA MC AMEX or **Check:** Payable in U.S. dollars to AIST

Card Number: _____

Exp. Date (Required): _____ Signature: _____

Membership is on a calendar basis, Jan. 1 through Dec. 31, and includes an annual subscription to *Iron & Steel Technology*. New members who join after Sept. 1 will remain members through Dec. 31 of the following year.

Contributions or gifts to the AIST are not deductible as charitable contributions for U.S. federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expenses or miscellaneous itemized deductions depending on the status of the individual taxpayer. Please consult your tax advisor.

TO THE BOARD OF DIRECTORS:
Application is hereby made to the Association for Iron & Steel Technology for membership as indicated. If elected, I agree to comply with the bylaws of the Association. Members may access bylaws online at www.aist.org.

SIGNATURE OF APPLICANT

186 Thorn Hill Road
Warrendale, PA 15086

General Information

My main reason for becoming a member of AIST is:

- Annual conference discounts
- Specialty conference discounts
- Publication discounts
- Monthly I&ST journal
- Member chapter events
- Operating committee participation
- Technical education
- Networking
- Steelnews.com access

Please specify your highest level of education:

- High School
- Associate's
- Bachelor's
- Master's
- Ph.D.
- Other _____

My employer:

- Pays 100% of my dues.
- Subsidizes _____% of my dues.
- Does not pay for my dues.

AIST Member Chapters

The Member Chapters of AIST schedule regular events for local metals industry professionals to foster strong business contacts and the steel fraternity. These events may include dinner presentations, training sessions, product fairs, student activities, tours of local steel-related facilities, holiday dinner dances and golf outings. For more information visit www.aist.org/chapters/chaptershp.htm.

Select only one primary or "home" chapter (P) and if desired up to two secondary chapters (S) from which to receive chapter programming and correspondence:

AIST Technology Divisions and Operating Committees

The Operating Committees of AIST are volunteer-based committees dedicated to advancing the technical development, production, processing and application of iron and steel. Individual Operating Committees meet 3-4 times per year and typically include plant tours, roundtable discussions, technical presentations, and the development of technical sessions for AIST conferences and symposia and are listed below. To participate in the Operating Committees, one must be a member of AIST and attend at least one committee meeting per year.

I. Iron Producing

Coke Producing
Iron Producing

II. Electric Steelmaking

Electric Steelmaking
Specialty Alloy and Foundry

III. Oxygen Steelmaking

Oxygen Steelmaking

IV. Continuous Casting

Ladle and Secondary Refining
Continuous Casting

V. Rolling and Finishing

Sheet Rolling
Plate Rolling
Long Products Rolling
Coating and Process Lines
Roll Technology

VI. Process Metallurgy and Product Applications

Process and Product Metallurgy
Process Technology
University and Industry Relations

VII. Process Automation, Control and Technology

Sensors and Instrumentation
Electrical Engineering
Computer Applications

VIII. Material Handling and Facilities

Material Handling
Cranes
Mill Buildings

IX. Maintenance and Reliability

Maintenance Processes
Lubrication and Hydraulics

X. Project and Plant Management

Project and Construction Management

XI. Safety, Energy and Environment

Safety and Health
Environmental Technology
Energy and Utilities

Anyone interested in becoming a member of an AIST Operating Committee should contact,
Bill Albaugh
Phone: (724) 776-6040, ext.632
E-mail: balbaugh@aist.org.
