STEEL'S PREMIER TECHNOLOGY EVENT

**The Iron & Steel Technology Conference and Exposition**  
Indiana Convention Center • Indianapolis, Ind., USA  
5-7 May 2014

**Be Seen**

With approximately 40 countries represented annually, AIST provides a global perspective on the technology and engineering expertise necessary to power a sustainable steel industry. Expand your customer base and international network.

**Get Noticed**

AISTech attendees are the people you want to reach: key individuals who specify, purchase, design and operate a variety of iron and steel plants and facilities. One out of two AISTech attendees has buying influence for the industry's products and services.

More than 6,000 people are expected to attend AISTech 2014

**EXHIBIT**

AISTech is the steel industry's largest annual trade show and exposition. Your exhibit will generate sales leads and company awareness as no other marketing tool can.

Don't miss this chance to demonstrate your products and services to the world's top steel producers, suppliers, consultants and academics.

**ADVERTISE**

Make the most of your time and investment — generate more attention for your exhibit through advertising with AIST. Print, online and special offers give you a chance to do more with your money, including an Exclusive Belly Band for the May Show Guide and Program of *Iron & Steel Technology*.

**Save up to 50%! Contact the AIST Sales team about the special rates for the March, April and May issues.**

**SPONSOR**

Put your business in front of the right people. Sponsorships are an effective, cost-effective way to extend your company's reach to all conference attendees at Steel's Premier Technology Event. Opportunities include Receptions, Coffee Breaks, Lunches, President's Award Breakfast, Town Hall Forum Webcast, Aisle Signs and Feature Giveaways. Visit [AISTech.org](http://AISTech.org) for a full list of sponsorship opportunities.

# Your customers will be there. Your competitors will be there. Will you?
