

Global Event Sponsors

Exhibit

- Demonstrate your products and services to steel producers, suppliers, consultants and academia from the global steel industry.
- Generate sales leads and company exposure like no other marketing tool can at the steel industry's largest annual trade show and exposition.
- Strengthen customer relationships and stay up to date with the latest technology and trends.

Stand out at AISTech 2022 with a sponsorship or advertisement!

- Maximize your investment to ensure your customers and new business contacts leave with the best lasting impression of your company. Sponsorships fit any budget, depending on the impact you want to make.
- Print and digital advertising opportunities give you a chance to do more with your budget:
 - March/April/May Special: Buy two ads, get one free in *Iron & Steel Technology*
 - AISTech Product Showcase HTMLs
 - AISTech Daily HTMLs
