# AISTech<sup>®</sup>2017

8-11 May 2017  
Nashville, Tenn., USA  
Music City Center

## Be Seen

With more than 40 countries represented annually, AISTech provides a global perspective on the technology and engineering expertise necessary to power a sustainable steel industry. Expand your customer base and international networks.

## Get Noticed

AISTech attendees are the people you want to reach: key individuals who specify, purchase, design, and operate a variety of iron and steel plants and facilities.

More than 7,000 people will attend AISTech 2017.

## Exhibit

AISTech is the steel industry's biggest annual trade show and exposition. Your exhibit will generate sales leads and company awareness like no other marketing tool can. Nashville's central location, lively reputation and new convention center are expected to translate into increased attendance. Don't miss this chance to demonstrate your products and services to the world's top steel producers, suppliers, consultants and academics.

## Advertise

Make the most of your time and investment — generate more attention for your exhibit through advertising with AIST. Print, online and special offers give you a chance to do more with your money, including an exclusive Belly Band for the May issue of *Iron & Steel Technology*.

Save up to 50%! Contact the AIST Sales team about special rates for the March, April and May issues.

## Sponsor

Put your business in front of the right people. Sponsorships are efficient and cost-effective ways to extend your company's reach to all conference attendees at Steel's Premier Technology Event. Opportunities include Receptions, Coffee Service, Lunches, President's Award Breakfast, Aisle Signs, Internet Cafés, On-Site Program, Smartphone App, Giveaway Features, Baggage Check and Airport Shuttle, or take advantage of being a Global Event Sponsor. Visit [AISTech.org](http://AISTech.org) for a full list of sponsorship opportunities.
