

FRIULI: ART, HISTORY AND CULTURE ... COMBINED WITH THE PLEASURE OF TASTING SOMETHING UNIQUE

GUIDED TOUR OF CIVIDALE (UNESCO) AND GUIDED TOUR OF THE LARGEST BALSAMERY IN THE WORLD

We will take you in Cividale, the Lombard ducal city founded in the 1st century. AC. by Julius Caesar with the name of "Forum Julii", and later called by the Lombards "Civitas Austriae", the town is a treasure trove of Celtic, Roman, Lombard, Venetian, Habsburg signs: in short, of Central European civilization. You will walk on the Devil's bridge knowing its history, you will look at the landscape from the bridge, you will enter the Church of San Martino. Take the scenic downtown streets to explore the Celtic Hypogeum, the Cathedral with its treasure and the adjacent Museum. You will continue by visiting the Lombard Temple, the Monastery of Santa Maria in Valle and finally the Church of San Pietro and San Biagio. At mid-day you will enjoy local cuisine in a typical restaurant in the historic center ... a first taste of Friulian flavors.

In the afternoon you will have a unique visit to the largest balsamery in the world located in a typical Friulian farmhouse. In an atmosphere suspended between the traditions of the past and modernity, you will live an experience that will lead you to the heart of history and the production of balsamic vinegar, for an interesting journey that involves the five senses.

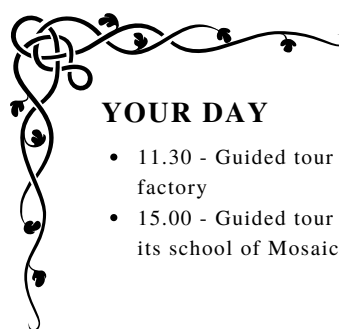

YOUR DAY

- 09.00 - Guided tour of Cividale
- 12.00 - Lunch in a typical restaurant
- 15.00 - Guided tour and tasting in balsamery

VISIT AND LUNCH IN THE HAM FACTORY AND VISIT TO THE MOST FAMOUS MOSAIC SCHOOL IN THE WORLD

You will arrive in the late morning in San Daniele del Friuli considered one of the pearls of Friuli Venezia Giulia, internationally known for its ham with an inimitable flavor, the result of a millenary tradition and a unique microclimate. You will visit and then having lunch in a renowned ham factory. After lunch you will visit Spilimbergo, a village of ancient origins; its has enjoyed great splendor during the Renaissance. The urban center has its original medieval layout and the continuous restoration has allowed to enhance the works of several artists who have succeeded over the centuries. Evidence of this is the Cathedral with its frescoes, the Castle with its Painted Palace, the Palace of Spilimbergo di Sopra and the historic center.

You will visit the prestigious Mosaic School of Friuli Venezia Giulia, known throughout the world for its decorative mosaics.

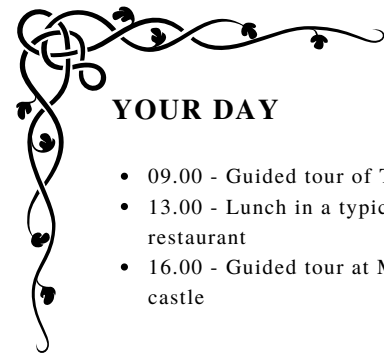

YOUR DAY

- 11.30 - Guided tour and lunch in ham factory
- 15.00 - Guided tour of Spilimbergo and its school of Mosaics

FRIULI: ART, HISTORY AND CULTURE ... COMBINED WITH THE PLEASURE OF TASTING SOMETHING UNIQUE

GUIDED TOUR AT THE CENTER OF TRIESTE AND VISIT TO MIRAMARE CASTLE

Trieste is the most cosmopolitan city in Italy. Its Habsburg past and the crossroads of languages, peoples and religions make Trieste a city with a Central European and Mediterranean soul at the same time. It is also famous for its coffee and literature and therefore for its literary cafes where intellectuals of other times such as James Joyce, Italo Svevo, Umberto Saba loved to spend time. In the morning you will enter the heart of the city starting from its square, now dedicated to the Unification of Italy. Here you will be a guest in one of its quintessential literary cafes while enjoying a good coffee accompanied by local sweets. You will observe the side of the square facing the sea, on which the Molo Audace stretches for over two hundred meters. From here it opens onto monumental palaces, the Greek Orthodox church of San Nicolò. You will have lunch in a typical restaurant in the center, the art of food and wine will take you close to the local culture. Finally, in the afternoon you will visit Miramare, the romantic castle of Massimiliano and Carlotta d'Asburgo located in the Gulf of Trieste, unique for its beauty, art and history.

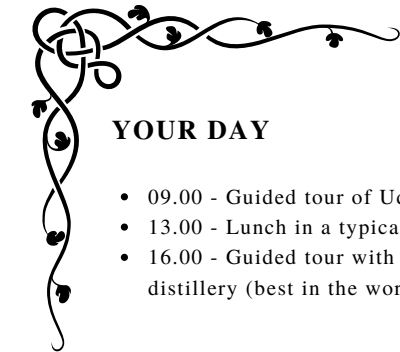

YOUR DAY

- 09.00 - Guided tour of Trieste
- 13.00 - Lunch in a typical restaurant
- 16.00 - Guided tour at Miramare castle

GUIDED TOUR IN THE CENTER OF UDINE AND VISIT WITH TASTING IN A UNIQUE DISTILLERY IN THE WORLD ... ALL ARTISANAL (BEST IN THE WORLD IN 2019)

The visit will start from the castle to continue in the historic center to admire the masterpieces of Tiepolo and Casa Cavazzini, an elegant home of modern and contemporary art. From the charming Piazza Libertà, through medieval alleys and picturesque canals, you arrive at Piazza Matteotti, a sort of city lounge surrounded by arcades, where the people of Udine love to stop for a coffee or for the inevitable evening aperitif. You will have lunch in a local restaurant in the center and then you will continue the day by visiting the most renowned distillery in Friuli, the best in the world in 2019, all artisanal! After the visit you will finish with great tasting combined with local foods ... and shopping opportunities.
