

We couldn't have asked for a better day for our first #AISTRoadShow in 18 months. It was great to meet everyone at Cleveland-Cliffs Rockport Works, who welcomed us with open arms. We had a chance to talk with 163 people about AIST membership programs, technical training conferences and additional resources while Bill & Dave's Smokin Pit served breakfast and lunch. Thank you to our sponsors, Spraying Systems Co. and Yates Industries Inc., as well as Scott Davis, Diana Schaefer and Jason Reed at Cleveland-Cliffs Rockport Works for all of their assistance and hospitality.
