Payment Information

Remit your dues by:

Credit Card:

Check Payable in U.S. dollars to AIST

Card Number: _____

Exp. Date (Required): _____ Signature: _____

Membership is on a calendar basis, 1 January through 31 December, and includes an annual subscription to *Iron & Steel Technology*. New members who join after 1 September will remain members through 31 December of the following year.

Contributions or gifts to the AIST are not deductible as charitable contributions for U.S. federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expenses or miscellaneous itemized deductions depending on the status of the individual taxpayer. Please consult your tax advisor.

TO THE BOARD OF DIRECTORS:

Application is hereby made to the Association for Iron & Steel Technology for membership as indicated. If elected, I agree to comply with the bylaws of the Association. Members may access bylaws online at AIST.org.

- By checking this box, you are confirming you have read and accept the new AIST Privacy Statement found at AIST.org. The statement was updated to include content required by the General Data Protection Regulation (GDPR).

Membership Application

ADVANCING THE TECHNICAL DEVELOPMENT, PRODUCTION, PROCESSING AND APPLICATION OF IRON AND STEEL

General Information

My main reason for becoming a member of AIST is:

- Annual conference discounts
- Specialty Conference discounts
- Publication discounts
- Monthly *I&ST* journal
- Member Chapter events
- Technology Committee participation
- Technical education
- Networking
- SteelNews.com access

Please specify your highest level of education:

- High School
- Associate's
- Bachelor's
- Master's
- Ph.D.
- Other _____

My employer:

- Pays 100% of my dues.
- Subsidizes _____% of my dues.
- Does not pay for my dues.

AIST Member Chapters

The Member Chapters of AIST schedule regular events for local metals industry professionals to foster strong business contacts and the steel fraternity. These events may include dinner presentations, training sessions, product fairs, student activities, tours of local steel-related facilities, holiday dinner dances and golf outings. For more information, visit AIST.org and click on "Local Member Chapters."

Select only one primary or "home" chapter (P) and, if desired, up to two secondary chapters (S) from which to receive chapter programming and correspondence:

- | | | | | | | | |

AIST Technology Committees

The Technology Committees of AIST are volunteer-based committees dedicated to advancing the technical development, production, processing and application of iron and steel. Technology Committees meet 3-4 times per year and typically include plant tours, round-table discussions, technical presentations, and the development of technical sessions for AIST conferences and symposia. To participate in the Technology Committees, **you must be a member of AIST and attend at least one committee meeting per year.** Please check up to **two** committee(s) to join.

I. Safety & Environment Division

- Safety & Health
- Environmental

II. Cokemaking & Ironmaking Division

- Cokemaking
- Direct Reduced Iron
- Ironmaking

III. Steelmaking Division

- Electric Steelmaking
- Oxygen Steelmaking
- Specialty Alloy & Foundry

IV. Refining & Casting Division

- Ladle & Secondary Refining
- Continuous Casting

V. Rolling & Processing Division

- Hot Sheet Rolling
- Cold Sheet Rolling
- Galvanizing
- Tinplate Mill Products
- Plate Rolling
- Long Products
- Pipe & Tube
- Rolls

VI. Metallurgy Division

- Metallurgy — Steelmaking & Casting
- Metallurgy — Processing, Product & Applications

VII. Energy & Control Division

- Energy & Utilities
- Electrical Applications
- Digitalization Applications

VIII. Plant Services & Reliability Division

- Project & Construction Management
- Maintenance & Reliability
- Lubrication & Hydraulics
- Refractory Systems

IX. Material Movement & Transportation Division

- Material Handling
- Cranes
- Transportation & Logistics
