

BLYTHEVILLE, ARK., USA

New Year, New AIST Road Show. We headed south in January 2019 to visit Nucor-Yamato Steel Co. in Blytheville, Ark., and Nucor Steel Memphis Inc. in Tennessee. We met with more than 500 people during the course of two days. The visit to Nucor Steel Memphis Inc. marked a milestone — AIST's 25th Road Show. Here's to 25 more! Thank you to everyone at both plants and the Road Show sponsors. Your assistance is what makes these events, and the entire program, a success.
