

# Looking Forward to 2020

## The AIST Road Show Wraps 2019 With Two Plant Visits

**GO GERDAU** 150 Attendees  
Cartersville, Ga.

**CMC Commercial Metals** 158 Attendees  
Birmingham, Ala.

The AIST Road Show finished up a busy 2019 with visits to CMC Steel Alabama and Gerdau Long Steel North America Cartersville Mill, our seventh and eighth road shows for the year. We received great welcomes at both plants, with more than 300 people combined stopping by to say hello and get some free food.

Thank you to everyone at CMC Steel Alabama and Gerdau Long Steel North America Cartersville Mill and all of the sponsors. Their assistance makes these events successful.

It was our first visit to a CMC plant and our second time at a Gerdau plant, following the Gerdau Long Steel North America Petersburg Mill Road Show in August. We're hoping to visit more of each company's plants in 2020.

Visit [AIST.org/RoadShow](http://AIST.org/RoadShow) for the upcoming Road Show schedule. If your company is interested in hosting an AIST Road Show, or if you would like to be an AIST Road Show sponsor, please contact AIST's Sales Team at [sales@aist.org](mailto:sales@aist.org).
