

The graphic features the word "Awards" in a large, elegant, silver-colored script font. Above the letter "A" is a semi-circular arc of twelve five-pointed stars. In the center of this arc is the AIST logo, which consists of the letters "AIST" in a bold, blue, sans-serif font, with the full name "ASSOCIATION FOR IRON & STEEL TECHNOLOGY" in a smaller, blue, sans-serif font underneath. Below the script word "Awards" is the phrase "CALL FOR NOMINATIONS" in a clean, white, all-caps, sans-serif font. The background of the graphic is a dark, blurred photograph of an audience seated at a table in a dimly lit room, possibly during an awards ceremony.

## General Guidelines

- Only AIST members may nominate a candidate, unless noted.
- For all award candidates, there are no restrictions with respect to nationality, citizenship, race, gender, occupation, age or membership in AIST, unless noted.
- For all awards, a standard online nomination form shall be completed to nominate a candidate.
- Nominations shall be solicited in AIST's *Iron & Steel Technology*, on AIST.org, and in other electronic media and print materials.
- Nominations will be collected and held in confidence at AIST headquarters for distribution to the AIST Awards and Recognition Program Committee (or appropriate selection group) immediately following the nomination deadline.
- AIST board officers and directors are not eligible for selection during term of service.
- The deadline for nominations of candidates for all Board of Directors Awards will be 30 November of each year.
- Where more than three letters of endorsement are required, at least half shall be from non-related corporate parties.
- The AIST Awards and Recognition Program Committee shall select the final recipient from the candidate nominations received for all awards, unless noted.
- All recipients will be selected by 31 January of the following year.
- A recipient shall be selected annually for each award unless noted, provided a qualified candidate is nominated.
- In the event there is a single nominee for an award, a majority approval vote by the selection committee is required.
- The award recipient must be living at the time of selection, unless noted.
- AIST headquarters shall notify all award recipients and principal nominators.
- All awards will be presented at AISTech, unless noted.
- All awards are dated the year of presentation.
- All award recipients will be identified in the August issue of *Iron & Steel Technology*.
