

Canonsburg, Pennsylvania, January 20, 2023

## Joe Dzierzawski named Vice President of Sales and Strategy for Primetals Technologies USA

Joe Dzierzawski has been appointed Vice President of Sales and Strategy for Primetals Technologies USA. Based in Canonsburg, Pa., Joe will provide leadership for account management, business development, and sales activities. He will also play a key role in defining the company's North American business strategy.

Through mutually beneficial partnerships, Joe will help metals producers win in their markets by working with them to identify solutions that support their business strategies. Joe was most recently responsible for the North American market as President and CEO of the BEUMER Group, an intralogistics solutions provider and material handling equipment manufacturer. In the metals industry, Joe held senior management and executive positions at SMS USA, SMS group Inc., SMS Demag A.G. in Dusseldorf, Germany, and Hatch Associates Consultants. He currently serves on the Board of Trustees of the AIST Foundation.

Primetals Technologies is a joint venture of Mitsubishi Heavy Industries and partners. The company employs around 7,000 people worldwide with approximately 1,000 based in 14 locations throughout the United States.

**Primetals Technologies, Limited**, headquartered in London, United Kingdom, is a pioneer and world leader in the fields of engineering, plant building, and the provision of lifecycle services for the metals industry. The company offers a complete technology, product, and services portfolio that includes integrated electrics and automation, digitalization, and environmental solutions. This covers every step of the iron and steel production chain—from the raw materials to the finished product—and includes the latest rolling solutions for the nonferrous metals sector. Primetals Technologies is a joint venture of Mitsubishi Heavy Industries and partners, with around 7,000 employees worldwide.
