

## Vallourec signs an important contract with Abu Dhabi National Oil Company

**Boulogne-Billancourt (France), March 30, 2016** – Vallourec, a world leader in premium tubular solutions, has signed a contract with the Abu Dhabi National Oil Company (ADNOC) to supply OCTG<sup>1</sup> during the 2016-2018 period to its three operating companies (ADMA-OPCO, ADCO, ZADCO<sup>2</sup>). This is the first time that a tender has been organized to supply all three operating companies, and represents the largest single OCTG contract (close to 100,000 tons) that Vallourec has received to supply the Emirate of Abu Dhabi.

Vallourec will supply a full range of standard API<sup>3</sup> and premium OCTG for both onshore and offshore oilfields, for applications ranging from conventional to complex wells. Included in the contract is the supply of high torque VAM<sup>®</sup> connections for extended reach drilling and corrosion resistant alloy steels for sour service. Field running supervision and inspection will be provided by the Vallourec experts.

Didier Hornet, Senior Vice President, Eastern Hemisphere said, *“thanks to our worldwide presence, we are able to offer ADNOC a full range of products, from premium to API, from all of our mills, with competitive lead times and competitive prices. Together with VAM Field Services<sup>4</sup>, we are able to support ADNOC with value added solutions from the mill to the rig”*.

OCTG will be supplied from Vallourec’s mills in France, Germany, Brazil and China.
