about AIST

The Association for Iron & Steel Technology (AIST) is an international non-profit organization with more than 18,500 members.

AIST is recognized as a global leader in networking, education and sustainability programs for advancing iron and steel technology.

Our mission is to advance the technical development, production, processing and application of iron and steel.

why advertise with AIST

With 29 technical areas of interest, *Iron & Steel Technology*, AIST's monthly journal, covers steelmaking from raw materials to finished products.

On average, more than 17,000 copies of *Iron & Steel Technology* circulate each month, with more than 30+ potential bonus distribution opportunities throughout the year.

digital ad retargeting

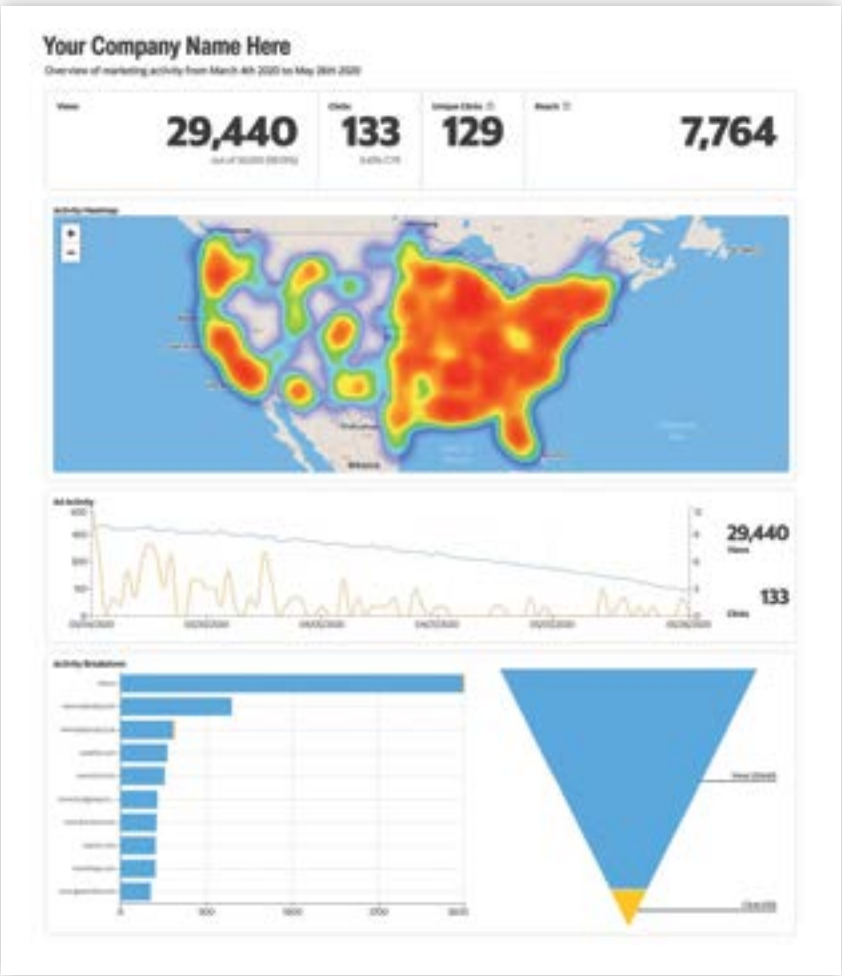

Increase your visibility and gain exposure to AIST’s online audience through ad retargeting. AIST.org is the premier website for the steel industry, bringing together people from every aspect of the steelmaking process, from raw materials to finished products.

PRICE	DURATION	NUMBER OF IMPRESSIONS
AIST Digital Retargeting		
US\$4,500	3 Months	200,000

WHY RETARGETING?
Our audience is your audience. You can have access to AIST.org visitors. Retarget these visitors with your company’s ads anywhere they visit online.

QUALITY TARGETING
Ad retargeting with AIST guarantees sustained, specific exposure to the iron and steel industry audience you’re trying to reach, rather than broad, generic targeting on common ad platforms.

QUANTIFIABLE RESULTS
Advertisers will receive access to a detailed online dashboard to see campaign results in real time.

LEADERBOARD 728 x 90 px	SQUARE POP-UP 300 x 250 px	WIDE SKYSCRAPER 160 x 600 px	SMALL RECTANGLE 180 x 150 px
----------------------------	-------------------------------	---------------------------------	---------------------------------

Advertisers to provide one ad of each size.
Specs: .jpg or .gif static images only; no flash ads.

A 10% premium over the standard pricing will be charged for all digital advertising in the months of March, April and May.

AIST's best-selling publication

As AIST's best-selling publication, the *Directory* serves as an effective advertising medium, as well as a useful personnel source and sales tool. The *Directory* is used by steel company executives, operators, engineers and maintenance personnel.

DIRECTORY — IRON AND STEEL PLANTS advertising opportunities

Featuring data on essentially every U.S., Canadian and Mexican steel producer, this comprehensive resource also includes names and titles of executive, engineering, maintenance and operating personnel; an alphabetical listing of all major suppliers within the global iron and steel industry; a listing of associations and technical societies affiliated with the iron and steel industry; and complete geographical indexing for steel producers and suppliers of equipment, products and services.

why advertise

Directory has everything you need to know about steel producers, equipment, product and service providers, and major associations and technical societies.

audience

The *Directory* is used by steel company executives, operators, engineers and maintenance personnel. The annual publication is targeted to reach your prospects and customers, putting your company's information in front of the right people. Get a year's worth of advertising with one ad!

4-color advertising opportunities for US\$1,700, which include a copy of the *Directory*.

Available as a printed book and e-book.

Complimentary copy mailed to a select group of steel industry VIPs.

AD CLOSING DATE
6 OCT 2026

MATERIAL DUE DATE
13 OCT 2026

See [AIST.org/Directory](https://www.aist.org/Directory) for full details.

sponsorship solutions

SPONSOR AN AIST EVENT!

Our sponsorship opportunities are designed to make an impact and provide the ROI you are looking for. Our goal is to put your brand front and center with new and existing customers.

AISTech

Steel's Premier Technology Event — More than 8,000 iron and steel personnel attend each year, making this the largest annual steel exposition in the world.

Global Steel Dynamics Forum

World Steel Dynamics and AIST have joined to host the world's premier executive event focused on industry dynamics, critical insights and essential strategic outlooks.

Women in Steel Conference

Created to support the recruitment, engagement and professional development of women in the global steel industry, this event features panel discussions, keynote speakers, and leadership skills training to enhance attendee personal and professional growth.

Member Chapter Events

With 22 Member Chapters globally, local professionals in the steel industry come together to participate in over 75 regional events each year.

International Steel Forums

Steel industry executives will present their perspectives, experiences, challenges and road maps to incorporating new technology and transforming their production value chain.

AIST Webinars

AIST webinars bring together industry experts to discuss topics and events impacting all aspects of the steel community.

Technology Training Events

More than 4,000 industry workers attend these technology-specific training courses each year.

Materials Science & Technology (MS&T)

Thousands of materials science personnel meet for this yearly technical conference and exposition.
